- 9. Switching**

1. What is a Demon

A. A fallen Angel - destined for the lake of fire
B. Satan is their boss - 1/3 of the angels followed Satan when he decided to make himself like the "Most High"

C. Purpose - to kill, steal and destroy - no redeeming qualities, pure evil

D. NEVER cast a Demon out of a non-Christian...will come back 7 fold.

**Demons come back to a Christian ONLY if they return to their sin. (Not the same demons)

Ex: An alcoholic; cast out demon...returned to sin...came back with a Demon of alcoholism 6 months later.

E. What keeps Demons from hurting us? Luke 10:19
"Jesus gives us authority over all the power of the enemy and nothing shall injure us."

2. Characteristics of Demons

A. Different personalities;
some threaten your life
some are sarcastic
some have a sense of humor

All of them lie

some are technical - won't go unless all is correct

some tattle on each other (like children)

some are dumb

some are devious

some speak in other languages (they all know English!)

All demons are male, and so are God's angels.

B. Demons work in a hierarchy: like the army; privates, sergeants, generals

***Divisions of Demons: sex Demons, Anger Demons, etc...when one enters, he brings in a whole group under him

Ex: Anger Demon enters, may bring in hate, rage, revenge, murder.....

C. There is a chief Demon over each group AND, he almost always has a Demon of Infirmity under him.

D. Two basic kinds of Demons:

Generational; They came down through the bloodline before birth.

Current; They came in during the Core person's life

3. How do you get a Demon

A. Volitional Sin (Your own voluntary sin)

B. Generationally (generational sin)

C. Spiritual Ignorance (horoscopes, Ouija board, etc.)

D. Sin perpetrated against you.

Note: Spiritual floodgates are opened when:

Abominations (witchcraft, homosexuality)

4. Demonic legal rights

A. A Demon's legal right can be the sin that allowed it to enter.

B. Legal rights also come from emotions or actions that result from the original sin. Ex: Abuse; the victim gets addicted to alcohol and drugs to mask the pain....so addiction can be a legal right.

C. A Demon can have more than one legal right.

D. A Demon's legal right may be a lie the core or an alter believes. EX: Molestation...Guilt or Shame.

E. The emotion the alter holds is a demon's legal right, and the demon's name that's present in the person.

F. What doesn't rise to a legal right?

"I've been here a long time"

"I'm not doing anything"

"He/she needs me"(unless an alter, or core believes it)

*****all these are just ground the demon claims...Renounce it!**

G. To find out the demon's legal right....Ask the demon

5. How do we remove a Demon's legal right

- A. Verbally renounce past sins and break curses**
- B. Renounce our ancestor's sins and break generational curses**
- C. Have the Alter renounce and break the curse**
- D. Have generational Alters break generational curses**

6. What makes a Demon leave

- A. The authority of the name of Jesus**
 - B. The legal right has been removed**
 - C. The Core's will that the Demon must leave**
 - D. The Demon's own words (declaring it will leave)**
- ***We're responsible for every idle word...so is the Demon -**

7. What information do we need to gather from the Demon

- A. Name/function**
- B. Legal right**
- C. Who is the Chief demon**
- D. Is the demon generational...if so, how many generations. (helps get to the Gen Alter)**

8. What should we know or do differently with generational Demons

- A. There's always a generational alter, and the generational alter, must break the generational curse.**
- B. Always use the word "generational" when calling the Demon back up and when making it repeat after you.**

Note: Failure to use the word "generational" could be the technicality that allows the Demon to stay in the person or not come up when you call it.

Ex: Working with generational demon of fear...you put it down to work with an alter...if you just call up the demon of fear, you may get the demon of fear, instead of getting the generational demon of fear.

9. Switching

A. Keep constant eye contact: with a blink, the Demon may;

- 1. Go down and hide**
- 2. Push up a different Demon**
- 3. Push up an Alter**
- 4. Leave you talking to the Core**

Inner-Healing and Deliverance Steps

1. Chit chat (5 min).... Why do you need prayer?
2. Pie chart
3. Find traumas, note Age, brief description, emotion.
4. Anoint and Pray
5. Explain curse breaking. Break curses
6. Self talk
7. Inner healing(2 or 3 alters) “Presence of the Lord”
8. Deliverance prayer and declarations.
9. Tell (client) Go to the “Presence of the Lord.”
10. Take notes of all the responses of the demon.
11. When you get the # of alters, He’ll lie, press him
12. Continue on through the scrip, cast Demons out.
13. Break the curses in the demons responses.
14. Anoint w/oil, lay hands on for physical healing.
15. Heal each alter, or in groups (by emotion).
16. Get the “Flip Side” converted to your side.
17. Command the demons to depart again.
18. Check with the “Finger of God”, till all is quiet.
19. Anoint, and ask for the infilling of the Holy Spirit.
20. Teach client to do their own inner healing.
21. Teach client to use the self deliverance script.
22. Place a follow up call to client the next day.

COVENANT DELIVERANCE

8 - Father, in the name of Jesus, I ask according to Matt 18:18, that the 1st & 2nd demons of highest authority in (client) be bound and escorted to the courts of heaven, and that the courts be convened. I ask that when they are brought back, that they be bound from leaving until told to leave.

Jesus, I ask you to prepare 3 judgments for these demons, to be executed if they fail in any of Your directives. Lord, I ask that the first 2 judgments be of Your choosing and the 3rd be consumption by fire. The 2nd demon of highest authority will then come to attention with the same judgments & directives. If he fails and is consumed, then every demon in this vessel will be consumed.

Jesus, I ask that you would order the following directives for these demons:

>That these 2 would represent all the demons in this person, and that when they are told to go to the pit, all will go with them. Any that hide or leave the body will be destroyed by fire.

>That they will not push up another demon or wounded part in its place.

>That when they leave, all the spoils and healing that have been stolen or withheld will be released, seven-fold.

>That any answer of "I don't know" isn't an acceptable answer.

>Lord, I ask that you tell these demons that every answer is testimony in the courts of heaven.

>I ask that you would tell these demons all the information they are required to tell me.

>I ask that they be told that today is their day of departure.

>And when these two are returned bound, that they would give me a greeting of their names.
AMEN

9 - A) Say to Client: Go to be in the "Presence of the Lord". After a minute or two, ask "Head demon, are you there? Say your name or function so (client) can hear it.

B) When you get both demons' names, ask the head demon: "What % is (client) in the presence of the Lord?" If less than 100%, ask, "Are you or your horde hindering (client)?" Have the demon tell them (out loud) to "Stop Hindering".

10-C) What have you done Spiritually to the call on (client)'s life? I only want information you are required to tell me.

D) What have you done Emotionally to (client)?

E) What have you done Mentally to (client)?

F) What have you done Physically to (client)? Ask "What infirmity is present?" Ask: How old was (he/she) when the wound was created (and the infirmity) slipped in...and what is the emotion that wounded part holds?

COVENANT DELIVERANCE

Pg 2

G) Where do you get most of your power in (his/her) life?

H) What's the #1 lie you've told him/her that he/she believed? Are there any other lies you're required to tell me about?

I) What other spirits are you required to tell me about?

J) Are there any spirits under your control that are outside the body? (Make the demon tell them to "Go to the pit," verbally - out loud). Isaiah 27:8

11-K) How many wounded parts are there, that haven't been healed yet? Find out what age the (client) was when each part was created and what emotion each holds. If there are many parts, get a list of the emotions that caused parts.

Did you crack (him/her) at conception and slip in a wedge so you can come and go as you wish?

L) Does the Lord have a Word or a Scripture for (client)? (He may have several.) Use Balaam example.

M) Has the Lord instructed you to give me any more information so that this person will have freedom today? Do you confess that you've given me all the required information? Do you confess that all the information you've given me is true?

12-N) In the name of Jesus Christ of Nazareth, who came in the flesh, I command every demon to loose (him/her) and go to the pit, without ripping or tearing.

13-O) Read the demons responses, breaking those curses. At Physically, heal the alter associated with the infirmity, and have it break the curse of the infirmity.

14- Pray James 5:14-15. (Anoint with oil and lay on hands for physical healing.)

15-P) Heal all the rest of the alters that the demon has told you about, individually or in groups.

16-Q) Immediately after the last alter is healed: Turn the "Flip Side's" will to the Lord (by using the law and grace).

17-R) Tell the demons (again) to "Depart and go to the pit." Now ask the Holy Spirit to bring healing and truth to all the lies.

18-S) Search with the Finger of God. If a demon comes up, break the curse (all the way back to Adam

and Eve) and ask "Do you have a legal right in a wounded part?" Heal the part and cast out the demon. Search until nothing else comes up.

T) Ask the Holy Spirit to fill (client) where all the darkness was.
