# **DELIVERANCE CURSE BREAKING PRAYERS**

## **ANCESTORAL PRAYER FOR THE OCCULT:**

Dear Lord,

Through ignorance or willful sin, I may have sought supernatural knowledge apart from Your word, and I ask You to forgive me. I renounce all occultic activities. I also renounce the sins of any ancestors, that were involved with the occult. I ask you to release me from all curses, from my mother's or father's side, all the way back to Adam and Eve.

I renounce all ceremonies, oaths, dedications and blood covenants, of any ancestor, that performed animal or human sacrifices and drank animal or human blood. I believe that You Jesus, are the only sacrifice necessary....in Jesus name.

## **FORGIVENESS PRAYER:**

Dear Heavenly Father,

I ask you to help me to forgive, to the best of my ability, all the people that have hurt me, such as \_\_\_\_\_. I also forgive myself, for anything that may have happened. I don't want to carry that unforgiveness. So I release it now....in Jesus name.

## **FORGIVENESS OF ALL SEXUAL SINS:**

Father I ask for forgiveness of all the sexual sins I have committed, and I ask You to release me from any curse it has brought in to my life. I now keep all these doors closed....in Jesus name.

## COVENANT DELIVERANCE

8 - Father, in the name of Jesus, I ask according to Matt 18:18, that the 1st & 2nd demons of highest authority in (client) be bound and escorted to the courts of heaven, and that the courts be convened. I ask that when they are brought back, that they be bound from leaving until told to leave.

Jesus, I ask you to prepare 3 judgments for these demons, to be executed if they fail in any of Your directives. Lord, I ask that the first 2 judgments be of Your choosing and the 3rd be consumption by fire. The 2nd demon of highest authority will then come to attention with the same judgments & directives. If he fails and is consumed, then every demon in this vessel will be consumed.

Jesus, I ask that you would order the following directives for these demons:

>That these 2 would represent all the demons in this person, and that when they are told to go to the pit, all will go with them. Any that hide or leave the body will be destroyed by fire.

>That they will not push up another demon or wounded part in its place.

>That when they leave, all the spoils and healing that have been stolen or withheld will be released, seven-fold.

>That any answer of "I don't know" isn't an acceptable answer.

>Lord, I ask that you tell these demons that every answer is testimony in the courts of heaven.

>I ask that you would tell these demons all the information they are required to tell me.

>I ask that they be told that today is their day of departure.

>And when these two are returned bound, that they would give me a greeting of their names.  
AMEN

9 - A) Say to Client: Go to be in the "Presence of the Lord". After a minute or two, ask "Head demon, are you there? Say your name or function so (client) can hear it.

B) When you get both demons' names, ask the head demon: "What % is (client) in the presence of the Lord?" If less than 100%, ask, "Are you or your horde hindering (client)?" Have the demon tell them (out loud) to "Stop Hindering".

10-C) What have you done Spiritually to the call on (client)'s life? I only want information you are required to tell me.

D) What have you done Emotionally to (client)?

E) What have you done Mentally to (client)?

F) What have you done Physically to (client)? Ask "What infirmity is present?" Ask: How old was (he/she) when the wound was created (and the infirmity) slipped in...and what is the emotion that wounded part holds?

## COVENANT DELIVERANCE

Pg 2

**G)** Where do you get most of your power in (his/her) life?

**H)** What's the #1 lie you've told him/her that he/she believed? Are there any other lies you're required to tell me about?

**I)** What other spirits are you required to tell me about?

**J)** Are there any spirits under your control that are outside the body? (Make the demon tell them to "Go to the pit," verbally - out loud). Isaiah 27:8

**11-K)** How many wounded parts are there, that haven't been healed yet? Find out what age the (client) was when each part was created and what emotion each holds. If there are many parts, get a list of the emotions that caused parts.

Did you crack (him/her) at conception and slip in a wedge so you can come and go as you wish?

**L)** Does the Lord have a Word or a Scripture for (client)? (He may have several.) Use Balaam example.

**M)** Has the Lord instructed you to give me any more information so that this person will have freedom today? Do you confess that you've given me all the required information? Do you confess that all the information you've given me is true?

**12-N)** In the name of Jesus Christ of Nazareth, who came in the flesh, I command every demon to loose (him/her) and go to the pit, without ripping or tearing.

**13-O)** Read the demons responses, breaking those curses. At Physically, heal the alter associated with the infirmity, and have it break the curse of the infirmity.

**14-** Pray James 5:14-15. (Anoint with oil and lay on hands for physical healing.)

**15-P)** Heal all the rest of the alters that the demon has told you about, individually or in groups.

**16-Q)** Immediately after the last alter is healed: Turn the "Flip Side's" will to the Lord (by using the law and grace).

**17-R)** Tell the demons (again) to "Depart and go to the pit." Now ask the Holy Spirit to bring healing and truth to all the lies.

**18-S)** Search with the Finger of God. If a demon comes up, break the curse (all the way back to Adam

and Eve) and ask "Do you have a legal right in a wounded part?" Heal the part and cast out the demon. Search until nothing else comes up.

**T)** Ask the Holy Spirit to fill (client) where all the darkness was.

## **Self Inner Healing**

- 1. Pay careful attention to your emotions.**
- 2. When you have an elevated emotion, take notice of events that are triggering the emotion.**
- 3. Afterwards, determine if the event (on a scale of 1 to 10) warrants this high of an emotion, or if you are over-reacting.**
- 4. If you determine that you're over-reacting, it's telling you that there is a wound that still needs to be healed.**
- 5. Remember as many details of the event as possible...place, people, words, and sensory details.**
- 6. When you get home or to a quiet, peaceful place, say "I divide soul and spirit," then take yourself (in your mind) back to the event that triggered the over-reaction. Use the event details in your memory to trigger that adverse emotion. **REALLY GO THERE** in your mind and let the emotion come up again.**
- 7. At this point, out-loud ask, "Jesus, please come and heal this part of me."**
- 8. Jesus will come and either "take the emotion or heal the wound by speaking to you." When you feel the emotion lift or hear His Words, the wound is healed.**
- 9. After the wound is healed, tell all the demon on that wound to go to the pit, "in Jesus name."**
